Meticulous

METICULOUS PRIVATE LIMITED

ENGINEERING EXCELLENCE. INNOVATIVE SOLUTIONS.
SUSTAINABLE FUTURE.

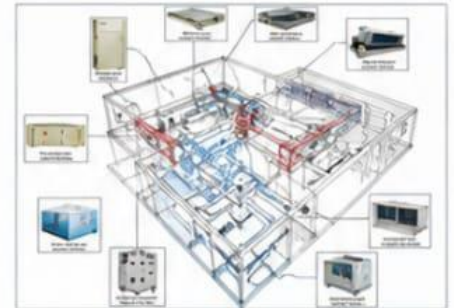

ABOUT METICULOUS

Meticulous is proud to introduce itself as one of the prime engineering Project Management firms in Pakistan, providing engineering solutions based on design and built concept.

We have been striving to provide our customers with state of the art engineering and technological solutions at a competitive price.

CORE BUSINESS DIVISIONS

- ❖ HVACR
- ❖ Over Head Cranes
- ❖ MEP
- ❖ Design & Consulting for Customized Engineering Solution
- ❖ Refrigeration / Cold Chain Solution

OUR STRENGTHS

Advanced Engineering Solutions

Innovative, energy-efficient and reliable systems.

High Performance Products

Designed for extreme climates and demanding environments.

Customized Solutions

Tailored designs to meet specific project requirements.

Quality & Reliability

Built with premium components ensuring long-term durability.

End-to-End Support

From design & consultation to installation and after-sales service.

PRODUCT RANGE – HVAC DIVISION

CMV-DC Inverter VRF System

Classic Series Air Handling Units (with Thermal Break Profile)

DX / Chilled Water Air Handling Units

Pharma Grade Package Type Unit

Air / Water Cooled Screw /Centrifugal/ scroll Chillers

Cold Room / Reefer Container

Refrigeration Unit / Evaporator Unit for Cold Rooms

DX / Chilled Water Fan Coil Units

Floor Standing Cabinet

Packaged and Mobile Packaged type Units

DX Type Condensing Unit

Cooling / Heating Coils

WIDE RANGE OF APPLICATIONS

- Apartment Complexes
- Office Blocks
- Hospitals & Clinics
- Shopping Malls & Centers
- Airports
- Hi-rise Buildings
- Hotels & Motels
- Commercial Developments
- Schools & Developments
- Libraries
- Small Commercial establishments
- Mosques

DESIGN FEATURES & SUPERIORTIES

- ❖ Aluminum Profile Framed structure with Thermal Break
- ❖ Lowest Thermal conductivity coefficient – Almost zero Heat Bridging
- ❖ Coils design, Manufactured & Tested as per AHRI 410 Stnd.
- ❖ Casing / Body Mechanical Strength as per EN -1886 STND.
- ❖ 100% Imported AMCA Certified Fans
- ❖ Almost Zero leakage & withstand the +IVE & -IVE Press. Up till 8-IWG
- ❖ Environmental friendly materials with best hygienic & desired FIRE rating
- ❖ Rain Protection & Low Noise / vibrations
- ❖ Intro. of the Ultimate Energy Saver

OUR PRODUCT LINE-UP

Delivering Commitment

Industrial and medical gases solutions, welding electrodes and hardgoods

With over 90 years of legacy, Pakistan Oxygen Limited is the market leader in industrial and medical gases, medical engineering services, pipeline design, medical equipment, and welding consumables. We deliver integrated solutions with quality, reliability and operational excellence to critical industries across Pakistan.

90
YEARS

OUR PRODUCTS & SERVICES

Healthcare Gases & Solutions

- Medical Oxygen (Pipeline & Cylinders)
- Nitrous Oxide, Medical Air, CO₂
- Suction, AGSS & Ventilation Systems
- Medical Engineering Services

Industrial Gases & Solutions

- Oxygen, Nitrogen, Argon, CO₂
- Hydrogen, Acetylene & Specialty Gases
- On-site Gas Generation & Supply Systems
- Bulk & Packaged Gas Solutions

Welding Consumables & Hardgoods

- Welding Electrodes & Wires
- Welding Machines & Accessories
- Safety Gear & Industrial Hardgoods
- Technical Support & Training

OUR CAPABILITIES

- ✓ State-of-the-art Air Separation Unit (ASU) – one of the largest in Pakistan
- ✓ Advanced H₂ Generation Plant – largest of its kind in the country
- ✓ Extensive nationwide distribution network
- ✓ 24/7 operations and customer support
- ✓ Customized engineering & turnkey project solutions
- ✓ Digital enablement through QuickApp™ platform
- ✓ Certified quality, safety & environment management systems

HACO ENGINEERS

MEP Services

ENGINEERING EXCELLENCE. BUILDING SOLUTIONS THAT LAST.

Heating Ventilation Air-Conditioning & Mechanical,
Refrigeration, Electrical, Plumbing Engineers and Contractor.

ABOUT HACO ENGINEERS

HACO Engineers has a team of qualified and experienced professionals in Air-conditioning, Refrigeration, Electrical & Mechanical equipment for commercial and industrial building, hospitals, hotels, Oil-field process units, pharmaceuticals etc.

Being a multi-disciplined engineering firm, our professional services deliver in-house Design & Consultancy, Project Management, Supply of Equipment, Execution, Testing & Commissioning and After Sale Service solutions.

We focus on attention to detail and budgets to provide quality engineered systems, well-coordinated and cost-effective designs, while maintaining realistic construction schedules and meeting design milestones.

MISSION | VISION | VALUES

OUR MISSION

We deliver innovative solutions that outperform our peers, produce predictable earnings for our shareholders, and provide a dynamic and challenging environment for our employees.

OUR VISION

Be one of the leaders in the engineering services business and provide flexible, speedy, low cost and innovative technology solutions and best in class quality services to the industry.

OUR CORE VALUES

- We are passionate in how we serve our client
- We embrace responsiveness, efficiency and personable interaction
- We believe in giving to our Community
- We value teamwork, innovation and Continuous Improvements
- We seek a fair profit

POWERING PROGRESS. DELIVERING EXCELLENCE.

At AMT Electric, we power progress with smart, sustainable, and high-performance electrical solutions tailored for Pakistan's growing industries and infrastructure. As an authorized distributor of globally trusted brands: ABB, Phoenix Contact, and Signify (Philips Lighting), we deliver a comprehensive range of low voltage switchgear, energy-efficient lighting, automation systems, and power solutions. With ready stock, competitive pricing, and nationwide delivery, we ensure fast, reliable access to the products you need, when you need them.

Our strength lies in offering access to multiple top-tier brands under one roof, along with expert technical guidance, customizable bulk ordering, and dedicated after-sales service including warranty and replacement support.

 We're more than a company,
we're a movement.

VISION

Become a leader in Pakistan's electrical goods industry by continuously innovating and expanding our product and service offerings.

MISSION

Deliver unparalleled value to customers through operational excellence, strategic partnerships, and sustainable business practices.

OUR SERVICES

AUTHORIZED DISTRIBUTION

Authorized distributor and emerging stockist of ABB Low Voltage Components, Signify (Philips Lighting) complete indoor and outdoor category lights and Phoenix Contact connectivity components.

EXTENSIONS, UPGRADES & RETROFITS

Lifecycle Management Policy to support ABB products through every stage, helping customers protect their investment and upgrade efficiently.

REPLACEMENTS

Low-risk migration and upgrade solutions to maximize ROI while preserving original equipment configurations.

SPARES & CONSUMABLES

Fast and efficient global supply of spare parts, even for legacy products to minimize downtime and ensure smooth maintenance.

RESEARCH & DEVELOPMENT

Our R&D engineers create breakthrough technologies that reshape industries, driving innovation with a clear focus on value.

PRODUCTS & SOLUTION DESIGNING

Design and develop innovative solutions for IoT, BMS, KNX, Intercom, CCTV, Access Control, Intrusion Alarms, and Low Voltage Switchgear systems for smart, secure, and scalable installations.

CORE VALUES

SPEED

Quick. Efficient. Responsive.
We act quickly and decisively, delivering solutions without delay.

QUALITY

Precise. Reliable. Top-tier.
We continuously strive to optimise our processes.

INTEGRITY

Honest. Ethical. Trustworthy.
Integrity means acting honestly and ethically in every situation.

INNOVATION

Creative. Forward-thinking. Bold.
We challenge the status quo and find better ways to serve and grow.

CARE

Empathy. Respect. Support.
We lead with empathy and a genuine desire to make a positive impact.

COURAGE

Fearless. Honest. Resilient.
We face challenges head-on and take smart risks to drive progress.

COLLABORATION

Teamwork. Unity. Shared Success.
We succeed by lifting each other up and moving forward together.

CURIOSITY

Inquisitive. Open. Evolving.
We ask questions, seek opportunities, and stay open to new possibilities.

CEO MESSAGE

“ We here at AMT Electric always strive towards something different, innovative and sustainable. Innovation, sustainability, and digitalization go hand in hand in today's business world. Our clients and customers are valuable to us. Which is why it is our top priority that our customers and clients are delivered the highest value from our services.

Believe in teamwork, commitment, determination, diligence and enthusiasm paves the way for success in the business world. We believe that our products and service can be an important part of reconstructing the living, and operations of society and industry.

As we move toward our vision we seek more opportunities and tackle all the challenges and obstacles that we come across.
